Have someone measure you as measuring yourself is not accurate. If you like your breeches quite snug measure on the small side:

Height (your actual height): _____

Waist _____

Thigh (at the widest point) _____

Inseam (crotch to the floor) _____

Femure (crotch to center of knee cap) _____

Knee _____

Calf (at widest point) _____

Ankle _____

Rise _____

(place measuring tape from waist at front, under the crotch to the back of waist)
